

We are so glad that you are with us this morning to hear the Word of God and to sing praises to His Name.

If you are a visitor, we would like to extend a special welcome to you, and ask that you fill out a visitor's card, so that we can have a record of your visit.

Scripture Memorization

Each week we will share a memory verse for you to work on in anticipation of the coming Sunday morning message. There is a chart posted in the foyer. Each time you memorize a verse, you can check it off. Wouldn't it be great if you could memorize 52 verses next year? Let's make it a goal you can do this. This week's memory verse is Romans 12:1,2

"Therefore I urge you, brethren, by the mercies of God, to present your bodies a living and holy sacrifice, acceptable to God, which is your spiritual service of worship. And do not be conformed to this world, but be transformed by the renewing of your mind, so that you may prove what the will of God is, that which is good and acceptable, and perfect".

Great news! We have at least 11 middle school students attending CBC. A class just for them will

begin in September. If you would be interested in working with this age group please see Dana Myers.

Financial Peace University

This course will be offered beginning Sunday afternoon, Sept. 12 at 4:00 p.m. It will provide valuable information about all aspects of money. Dave Ramsey will provide new ideas that will make a difference in the management of your finances. The cost per couple is \$99 for the materials if they are ordered through the church. There are already 9 church and community people who are registered. For more information, speak to David Krogh.

Mission News from Lord's Harvest International

A fund has been started to assist the families of Pastor Rashid Emmanuel and his brother Sajid who were murdered in Pakistan on July 19. Their families expect that they will need to be away from their homes, living with relatives in another city some distance from Faisalabad for about six months. A report from them says that they move from house to house every few days and they do not go outside during the day. We would like to help provide some financial assistance during these difficult months until they can return home.

Also, we are raising funds for Haiti. They need assistance in rebuilding their church and their school that were destroyed in the earthquake last January.

Money can be placed in the offering with a note that your gift is for one or both of these projects. Thanks for remembering these needs.--David Krogh

Midweek Service Bible Study

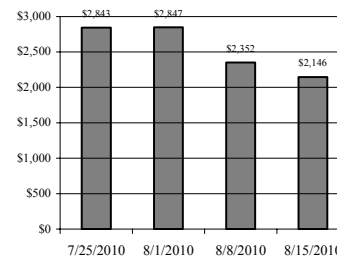

Denise Cramer is leading a women's group. The study on Colossians continues, and we are seriously thinking about offering a 3rd adult alternatives. We have teachers lined up for our children too.

Thanks

Thanks to all who helped with the pool party at Trees of Avalon on August 14. Since the party was rained out soon after it began, we will schedule another time in a few weeks to do another party. We will let you know the date.

Also, thanks to all who agreed to be on a cooking team and to bring desserts on Wednesday nights. We have more people who are helping than ever before!!! Thanks a lot. Many hands make light work! If you can help with cleanup, that will be appreciated so that the people who cook don't have to do the cleanup too. Just jump in and help. We also need help setting up the chairs for Sunday too. You don't need to sign up. We want everyone who eats to help in some way. Thanks.

CORNERSTONE PRAYER REQUEST

If you have a prayer request you would like to share with the congregation this morning, there are yellow prayer request slips on the table in the foyer or ask today's greeter. Place the completed request in today's offering plate.

Teachers Meeting

Teachers, pre-k through 5th grade! It's a new school year and we want to start

off right. Our first teacher meeting will be Wednesday night, Sept. 1. We will discuss what's new for this year and tour the new settings for classes. We will meet in the Family Life Center, classroom #3. See you there.

Gospel singer

Gospel singer, Jerry Bennett, will be joining us on Sunday, September 12th. Jerry is a recording artist who resides in the Nashville area. Some have heard Jerry sing at the Christian Workers Seminar held earlier in the year. Jerry will be sharing during the morning service. After the service we will be having a church picnic and then regather in the sanctuary to be treated to a gospel concert by Jerry. You will not want to miss this! Make plans now to come early and stay for the entire event!
